

HEALTH PROFESSIONS AUTHORITY ZIMBABWE

The Board, Management, and staff of the Health Professions Authority Zimbabwe (H.P.A) wish to extend our warmest congratulations to **Dr. Mildred T. Mushunje**, HPA Board Member, on her distinguished appointment as a Commissioner of the Zimbabwe Gender Commission (ZGC).

We celebrate this well-deserved recognition of her exceptional leadership and unwavering commitment to gender equality and social justice. Dr. Mushunje brings a profound flair for gender issues, policy advocacy, and community empowerment to the table, qualities that have continually enriched the strategic governance and oversight of the HPA. Her position in the Authority is to represent women's interests, and her vibrant expertise and vision will undoubtedly strengthen the Zimbabwe Gender Commission while elevating gender responsive policy standards across the national healthcare sector.

We wish Commissioner Dr. Mushunje every success in this vital national assignment as she continues to champion equity, human rights, and transformative leadership.

Dr. Mildred T. Mushunje

Congratulations!

Health Professions Authority Zimbabwe (HPA) is an umbrella health regulatory body whose primary mandate is to register and regulate all health service providing institutions in Zimbabwe amongst other functions as outlined in Section 5 of the Health Professions Act (Chapter 27:19).
